DiamondClean 9000

Rechargeable sonic toothbrush

HX9912/96

Highlights

Angled bristles

Benefit from our best plaque removal regardless of your brushing style. The Premium All-in-One brush head has precisely angled bristles which are engineered to maximize its plaque-removing potential.

Built-in pressure sensor

You might not notice if you're brushing too hard, but your DiamondClean 9000 will. If you need to ease up, the toothbrush will make a pulsing sound. It's a heads up to let your brush head do the work. 7 out of 10 people found this feature helped them become a better brusher.

4 modes

With DiamondClean, you get a truly refreshing clean every day. Our 4 modes cover all your brushing needs. Clean for exceptional daily cleaning White+ the ideal mode to remove

surface stains Gum Health to gently massage gums Deep Clean+ for an invigorating deep clean.

Progress Report

The DiamondClean 9000 gives you the guidance you need to improve and maintain healthy brushing habits in between dentist checkups. Built-in smart sensors let you know when you're using too much pressure, and by connecting your brushing experience to the Sonicare app, a personalized Progress Report helps you stay on track, to see how much you've improved over time.

BrushSync Technology

You'll always get the best possible clean with our BrushSync mode-pairing feature. Smart brush heads ensure you're using the right mode and intensity for the best possible clean by selecting the optimal brushing mode and intensity level in combination with your brush head.

SmarTimer

This Philips Sonicare power toothbrush features a special SmarTimer to help you meet the dentist-recommended brushing time of two minutes.

Longer bristles

The brush heads extra-reach side bristles gently brush your gum line even when you are focusing on your teeth. The bristles also flex to help compensate for any excess pressure.

Multiple charging options

Your deluxe USB travel case doubles as a charger so you stay fully charged on the go. Place your toothbrush in the case and connect to your laptop or plug into a wall socket. Also includes a brush head holder for convenience when traveling. As for charging at home, our sleek charger glass fits stylishly into your bathroom. Simply place your brush into the glass and have it wirelessly charge. Enjoy two weeks of regular use from a single full charge.

DiamondClean 9000

Rechargeable sonic toothbrush

HX9912/96

Highlights

Rounded profile

The curved profile helps bristles to go exactly where they need to. Through rigorous development we have created an all-in-one experience that delivers exceptional oral care.

Trusted sonic brushing

Brush away plaque with sonic technology – our benchmark in effective and gentle cleaning. While you brush, up to 62,000 bristle movements and dynamic fluid action help the bristles clean even hard-to-reach areas, leaving your mouth feeling exceptionally fresh and clean.

Brush with confidence

Whatever your specific needs, you can be sure of a safe brushing experience with DiamondClean. Our sonic technology is suitable for use with braces, fillings, crowns and veneers, and can even be used in the daily treatment of gum disease.
