

Invest Smartly

Philips Capital bridges the gap between budget constraints and clinical necessities, so you can invest smartly with **tailored financing solutions** that cover medical equipment, software, services, and IT infrastructure.

Break through financial barriers and overcome key healthcare challenges

Philips Capital offers a broad range of financing solutions

Loans and Extended Payment Terms

Ownership combined with budget friendly equal monthly repayments

Leases

Right-to-use healthtech, with highly elastic terms combined with lower payments

Export Financing

Long-term, cross-border hard currency financing on attractive terms

Channel Partner Finance

Short-term working capital solutions to grow business

Project Financing

Combined leases and payment plans for financial flexibility

Healthcare organizations have the opportunity to structure payments to best suit their particular circumstances

Equal periodic payments	Spread the cost of Philips systems, with equal predictable payments over time
Deferred payments*	Start using Philips systems up to 6 months sooner without payments, then match payments to revenue streams
Stepped payments	 Make payments to match staged deployment schedule, paying only the amount planned each year
Usage-based payments	A portion of payments linked to agreed usage parameters to allow continuous improvements of your healthcare transformation

Prioritize your clinical needs
