S5898

## Powerful shave, gentle on skin with SkinIQ Technology

The Philips Series 5000 delivers a powerful shave, now cutting even more hair per stroke\*, even on 3 day beards. Equipped with advanced SkinIQ technology, the shaver senses and adapts to your hair density for improved skin comfort.

### A powerful shave

- Flexible heads follow your facial contours
- Powerful performance in every pass
- Engineered for precision and cutting efficiency

### SkinIQ technology

- Adjusts to your beard for effortless shaving

### For a convenient shave

- Up to 60 minutes of cordless shaving when fully charged
- 1 hour charging time and 5 min quick charge
- LED display with icons to use the shaver intuitively
- One-touch open for easy cleaning
- Shave wet, dry and even under the shower

### Sustainability

### Eco-friendly choice

## Highlights

### Use less. Re-use more.

At Philips, we renew products returned by our customers to give them a second life. With our refurbished products we always strive for the highest quality, and we can offer you a more sustainable alternative while saving you money. Your refurbished shaver comes with a 2-year warranty and full customer support.

### SteelPrecision blades

With up to 90,000 cutting actions per minute, the SteelPrecision blades shave 17% closer\*, cutting more hair per stroke. The 45 high-performance blades are self-sharpening and made in Europe.

### Power Adapt sensor

Dynamically adapts shaving power from the moment the shaver touches your face or head. It reads hair density 250 x per second. Adjusts to your beard for effortless shaving.

### 360 D Flexing heads

Fully flexible heads turn 360° to follow the contours of your face and head. Experience optimal skin contact for a thorough and comfortable shave.

### Hair-Guide Precision heads

The new shape of the shaving heads is engineered for precision. The surface is enhanced with hair guiding channels, designed to move hair into an effective cutting position.

### One-touch open

Clean the shaver with ease. At the touch of a button, flip open the shaver head and rinse with water.

### Wet & Dry

Adapt your shaving routine to your needs. With Wet and Dry, you can go for a comfortable dry shave or a refreshing wet shave. You can shave with gel or foam, even under the shower.

### Pop-up trimmer

Complete your look using the shaver's pop-up precision trimmer. Integrated into the shaver's body, it's the perfect way to maintain a moustache and trim sideburns.

### 60 minutes of cordless shaving

Shave cordlessly for up to 60 minutes after one full battery charge.

### 1 hour charging time

Charge your shaver fully in just 1 hour with the powerful and energy efficient lithium-ion battery. In a hurry? Plug in your shaver for 5 minutes and get enough power for 1 full shave.

### Sustainable shaving innovation

Our production facility for blades uses 100% renewable electricity, and our packaging is made with recyclable materials. All shavers come with an Eco passport.

### LED display

The intuitive display shows relevant information, enabling you to get the best experience out of your shaver. This interface includes: 3 level battery status, cleaning advice and travel lock indicator.

# Highlights

### USB-A charging

At Philips, we drive sustainability in all aspects of product creation. Our ambition is to reduce waste and minimise the number of USB adapters we put in the market. Should you need an adapter, a suitable supply unit is available via: [www.philips.com/support](http://www.philips.com/support)

### Replacement shaving heads

Within two years, your shaver heads cut 9 million hairs on your face. Replace the shaver heads and get back to 100% performance

### Up to 5 years' warranty\*\*

Our shavers are engineered for excellence and come with up to a 5 year extended warranty when you register your product, so you can enjoy ultimate reliability and performance, shave after shave.
