- Ear fitting: In-ear
- In-ear fitting type: Earhook, Silicone ear tip

UPC

- UPC: 8 40063 20129 3

Highlights

Heart-rate monitor built in

Track your heart rate with the built-in monitor. A sensor in the earbud tracks your heartbeat with precision. You'll know when to push it and when to rest. Compatible with open fitness-tracking apps such as Strava and Runkeeper, and the Philips Headphones app.

Energizing sound

Run faster. Jump higher. Kick harder. You get clear sound, punchy bass, and 6 hours play time-even when monitoring your heart rate. A single charge takes 2 hours via USB-C, and a speedy 15-minute charge gives you another hour of play time.

Ear hooks and wing tips

Go with the flexible wing tips made from silicone that fit securely under the ridge of your ear. Or opt for the ear hooks that fit comfortably over your ear. A choice of ear-tip covers that let you create the perfect in-ear seal.

Philips Headphones app

You can use the Philips Headphones app to track your heart rate while working out. Or use the app to adjust the sound of the music or podcasts you're listening to. Enhance the bass, tone down the treble, or choose from preset sound styles.

IPX5 waterproof.

These sports headphones boast an IPX5 soak-proof rating, which means they're resistant to sustained soaking. Sweat hard, train in the rain, or even wear them in the shower.

A stable connectivity

A stable Bluetooth connection ensures there's no dropping beats when you're out on a run. The multi-function button lets you pause playlists, take calls, adjust the volume, or wake your phone's voice assistant.
