shaver

Shaver Series 5000

SteelPrecision blades

Power Adapt sensor

360-D Flexing heads

Integrated pop-up trimmer

S5889/60

Powerful shave, gentle on skin with SkinIQ Technology

The Philips Series 5000 delivers a powerful shave, cutting now even more hair per stroke*, even on 3-day beards. Equipped with advanced SkinIQ technology, the shaver senses and adapts to your hair density, for improved skin comfort.

A powerful shave

- Powerful performance in every pass
- Flexible heads follow your facial contours
- Engineered for precision and cutting efficiency

SkinIQ technology

- Adjusts to your beard for effortless shaving

For a convenient shave

- Deep cleaning in just 1 minute for hygienic shaving
- Up to 60 minutes of cordless shaving when fully charged
- 1-hour charging time and 5-min quick charge
- LED display with icons to use the shaver intuitively
- Shave wet, dry and even under the shower
- Precision trimmer integrated in the handle

Sustainability

- Built to last: up to a 5-year warranty***

Shaver Series 5000

Wet & Dry electric shaver

S5889/60

Highlights

SteelPrecision blades

With up to 90.000 cutting actions per minute, the SteelPrecision blades shave 17% closer*, cutting more hair per stroke. The 45 high-performance blades are self-sharpening and made in Europe.

Power Adapt sensor

Dynamically adapts shaving power from the moment the shaver touches your face or head. It reads hair density 250x per second. Adjusts to your beard for effortless shaving.

360-D Flexing heads

Fully flexible heads turn 360° to follow the contours of your face and head. Experience optimal skin contact for a thorough and comfortable shave.

Hair-Guide Precision heads

The new shape of the shaving heads is engineered for precision. The surface is enhanced with hair guiding channels, designed to move hair into an effective cutting position.

Cable-free Quick Clean Pod

Powerful cleaning pod thoroughly cleans and lubricates your shaver in just 1 minute, keeping it performing at its best for longer. The pod is 10x more effective than cleaning with water**. It is the world's smallest cleaning pod, so you can store it easily and use it anywhere.

Wet & Dry

Adapt your shaving routine to your needs. With Wet & Dry, you can go for a comfortable dry shave or a refreshing wet shave. You can shave with gel or foam even under the shower.

Pop-up trimmer

Complete your look using the shaver's pop-up precision trimmer. Integrated into the shaver's body, it's the perfect way to maintain a mustache and trim sideburns.

60 minutes of cordless shaving

Shave cordlessly for up to 60 minutes after one full battery charge.

1-hour charging time

Charge your shaver fully in just 1 hour with the powerful and energy efficient lithium-ion battery. In a hurry? Plug in your shaver for 5 minutes and get enough power for 1 full shave.

USB-A charging

At Philips, we drive sustainability in all aspects of product creation. Our ambition is to reduce waste and minimize the number of USB adaptors we put in the market. Should you need an adapter, a suitable supply unit is available via: www.philips.com/support

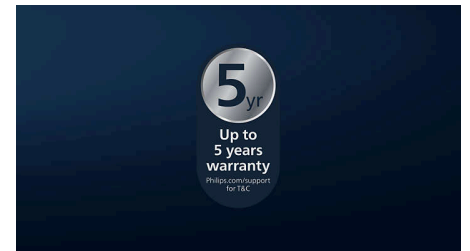

LED display

The intuitive display shows relevant information, enabling you to get the best experience out of your shaver. This interface includes: 3-level battery status, cleaning advice and travel lock indicator.

Sustainable shaving innovation

Our production facility for blades uses 100% renewable electricity, and our packaging is made with recyclable materials. All shavers come with an Eco passport.

Up to 5-years warranty***

Our shavers are engineered for excellence and come with up to a 5-year extended warranty when you register your product. So, you can enjoy ultimate reliability and performance, shave after shave.
