It is your own responsibility to ensure that the use of the LED retrofit lights complies with applicable local legal requirements.

LED accessories

Adapter CANbus

Some car models present particular challenges for LED-based retrofit lamps.

When upgrading your car with LED retrofit bulbs, a few challenges may occur such as an error message on the dashboard, a flickering, or a dimming effect. These error messages don't mean the LED bulb itself is faulty.

Therefore, we have developed smart solutions to overcome those challenges.

Unique Philips CANbus adapters ensure the vehicle's lighting systems function smoothly, for a reliable electrical performance over time.

Error	Solution	Bulb type	Ordering number	GOC	Compatible Philips range
Inaccurate dashboard warnings The car electronics tells the LED bulb is defective, even though the LED bulb is lighting up and functioning well.	Philips Adapter CANbus	HL [≈H4]	18960C2	39809094	Ultinon Pro9000 Ultinon Pro5000 Ultinon Essential
		HL [≈H7]	18952C2	05064994	Ultinon Pro9000 Ultinon Pro5000 Ultinon Essential
		FL [≈H8/H11/H16]	18954C2	05066394	Ultinon Pro9000 Ultinon Pro5000 Ultinon Essential
		HL [≈HB3/HB4/HIR2]	18956C2	05068794	Ultinon Pro9000 Ultinon Pro5000 Ultinon Essential
Flickering Unsteady light or loss of brightness (dimming).	Philips Light Repair CANbus	HL [≈H7]	18961C2	00281594	Ultinon Pro9000* Ultinon Pro5000* Ultinon Essential

* Philips Light Repair CANbus is directly integrated into our new-generation bulbs. No need for additional accessories! In some rare cases, an additional CANbus might be required to eliminate the flickering effect completely.

LED accessories

Adapter rings

Almost every car model has a different type of socket in which halogen bulbs are secured. When replacing your halogen bulbs with LED lighting, you may need a connector ring to secure the LED bulbs inside the headlamp. **Every Philips HL [≈H7] upgrade is supplied with a center ring, type A.** If another type of adapter ring is needed, you can find the concerning ring type mentioned in the Philips application list.

Please contact your nearest Philips dealer to buy the right adapter ring fitting your car model, or contact our Philips Consumer Care.
