InnoSpire Deluxe is an easy to use and reliable compressor nebulizer system that includes built-in storage to keep all your therapy accessories and supplies organized and handy.

For use in hospital and home

- Designed for continuous use

Short treatment times

- Treatment delivered in under 5 minutes*

Designed for convenience

- Sturdy handle for easy transportation
- Everything you need in one place

For commonly prescribed medications

- Compatible with commonly prescribed nebulizer medications

Highlights

Convenience meets reliability

InnoSpire Deluxe is designed to make your nebuliser treatment convenient and easy, with added built-in storage to house all your accessories.

For home use

Robust enough for continuous use in both a clinical and family environment, InnoSpire Elegance provides consistent and reliable nebulizer therapy.

Robust Design

Weighing just 4.4 lbs, InnoSpire Deluxe is light enough to pick up and move from room to room at home. With your supplies stored neatly away within the device, your nebulizer equipment stays safely together in one place.

Treatment time

Combined with our reusable SideStream nebulizer, it is designed to provide fast drug delivery and short treatment times.

Versatility

Capable of nebulizing a wide variety of medications that are routinely used to treat various respiratory conditions.
