Highlights

Passive radiator. Punchy bass

The bass you get from this compact little speaker is fantastically rich and punchy. Bring your music with you and hear it clearly in the garden, on a walk or at the beach. Perfect for work, rest and play wherever you are.

Pair 2 speakers for stereo

In the mood for even richer sounds? You can easily connect two identical speakers together for fantastic stereo sound. Hear your music the way it was meant to be heard. Even when you're out and about, you won't miss a beat or a word.

IPX4 splash/sweat resistant

This tough little speaker is ready for a day outside. An IPX4 rating means that the speaker can handle splashes from rain or sweat so you can relax and carry on listening.

Take hands free calls

This speaker is as useful as it is fun. With the touch of a button you can stop your music and take an incoming call. Keep your hands free and hear your caller's voice clearly every time.

Up to 12 hours play time

This reliable little speaker won't let you down when you need it. Fully charge with the included USB-C cable for up to 12 hours of continuous play time.

Connect via Bluetooth

Stream playlists from your mobile device via Bluetooth. Your media sounds rich, deep and clear through this great little speaker. Bring your favorite sounds out with you whatever your plans are for the day.
