## Metal massage gun

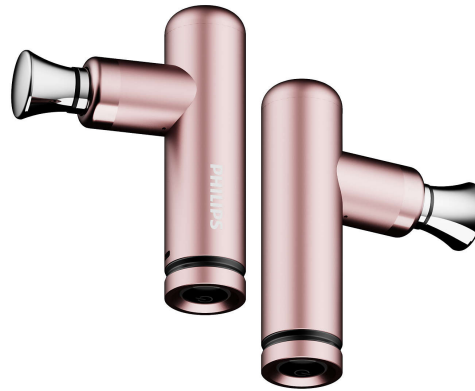

SuperDynamic System

6mm\* Stroke & 10kg\* Thrust

4 Massage Heads

5 vibration frequencies

PPM7308

## Mini Masseur in the palm of your hand

Strong power for deep relaxation

"1, 286g \* lightweight body 2、 SuperDynamic system 3、 6mm\*stroke&10kg\*thrust 4、 Configured with 4 massage heads 5, 5 gears vibration frequency 6、 Simple knob shift design 7、 T-shaped body is comfortable to hold 8、 120min\*long battery life"

### High performance motor

- SuperDynamick Power System
- 6mm\*stroke & 10kg\*thrust

### Customized Design

- Frosted metal body
- T-shaped body for comfortable grip
- Minimalist knob design

### Multi-massage by heart

- 5-speed vibration frequency
- Equipped with 4 major massage heads
- 120min\* long-time battery life

### Lightweight body

- 286g\* lightweight body

# Highlights

## Metal frosted texture

The frosted metal body design, coupled with the "T" non-slip handle design, fits in the palm of your hand, plus the long runway titanium strip design of the key area, fingerprint-free, low-key material.

## Ergonomic design

T-shape design is more suitable for human hands to grip, comfortable and firm grip, not easy to slip, and not easy to shake hands after playing for a long time.

## Multi-frequency massage

Support 2000-3200rpm vibration frequency, 5 adjustable gears, can be adjusted according to the needs of the individual strength of the force, progressive massage, to meet your needs for a variety of relaxation

## Multiple massage sensations

According to the force characteristics and relaxation needs of each muscle group, 4 customized massage heads are configured to provide targeted massage for different muscle groups, allowing you to instantly relax your muscles.

## Super Dynamic Power System

SuperDynamic power system, strong power, small size can release sports performance; equipped with customized non-dynamic motor, speed up to 3200 rpm, surging power stable and lasting output.

## Minimalist knob shift design

Simple knob design, one twist, you can adjust the strength, simple operation; thoughtful addition of colorful light ring prompts, ambient light changes with the gear switch, at a glance.

## Long Duration

Built-in 1500mAh high-capacity battery, a single charge can last 120min\*, type-C universal convenient interface, support for a variety of charging devices, at any time to replenish the power, no fear of power anxiety.

## Mini lightweight and portable

The upgraded lightweight body weighs only about 286g\*, which reduces the pressure on the wrist, and with the frosted metal design, it feels delicate and non-slip, and is comfortable to hold. Compact size is easy to carry around, feel tired body massage at any time!

## 8Kg thrust+8mm stroke

Delivering 6mm of stroke depth and 10kg of thrust, the motor is able to hit the deep muscle tissues, instantly relaxing the tightness.

# Specifications

## General specifications

**Product Dimension (LxWxH):** 76\*35\*133 mm

**Net weight:** 286g

**Color:** Pink

**Main materials:** Aluminum alloy

**Color:** Pink

**Packaging Dimension(L)\*(W)\*(H):**

189\*157\*50 mm

**Quantity of massage heads:** 4

## Main parameters

**Working voltage:** DC7.4V

**Massage amplitude:** 6mm

**Rated voltage:** 7.4V

**Massage frequency:** 2000-3200rpm

**Working power:** 15W

**Maximum thrust:** 10kg

**Battery:** 1500mAh

**Charging current:** 2A

**Charging port:** USB Type-C

**Charging voltage:** DC5V

## Country of origin

**Made in:** China

**Country of origin:** China

## Service

**Warranty period:** 2 years
