- Google Assistant. Control the TV with your voice.
- Google Play store. More to love.

Philips picture precision and clear sound.
- Dolby audio for a true life audio experience
- Lively viewing. Philips HD LED TV.

Highlights

Google TV™

What do you want to watch? Google TV brings together movies, shows, and more from across your apps and subscriptions, and organises them just for you. You'll get suggestions based on what you like, and you can even use the Google TV app on your phone to curate your watchlist on the go.

Google Assistant

Control your Philips Google TV with your voice. Want to play a game, watch Netflix, or find content and apps in the Google Play store? Just tell your TV. You can even command all Google

Assistant-compatible smart home devices-like dimming the lights and setting the thermostat on movie night. Without leaving the sofa.
TV content

Go beyond traditional TV programming with Google Play Store . Experience endless movies, TV, music, apps and games online. More to love.

LED TV

Delight in everything you watch with a Philips HD LED TV. The TV's processing engine optimizes picture quality to deliver sharp images, rich colors, and smooth motion. You get lively viewing experience every time.

Dolby Audio

Dolby Audio technology works intelligently to optimize audio for the TV equipment , you can experience better audio quality from all the content you enjoy, whether it's a broadcast, a stream or download. Enhances better sound for movies, music, and broadcast programs.
