# Highlights

## 5.1 channels

The Philips TAB4518 Soundbar features 5.1 channel surround sound, delivering an immersive audio experience with crisp dialogue and rich, deep bass. Perfect for movies, music, and gaming, it creates a theater-like atmosphere right in your living room.

## 240W (Max) Sound output

The Philips TAB4518 delivers a robust 240W sound output, providing clear, powerful audio for an immersive listening experience. With enhanced bass and crystal-clear treble, it brings depth to movies, music, and gaming. The high output ensures rich, dynamic sound that fills any room, making it perfect for home theaters or social gatherings. Enjoy a premium audio experience that elevates your entertainment.

## Multiple connectivity options

The Philips TAB4518 offers versatile connectivity options, ensuring seamless integration with all your devices. It includes: Audio In, Optical In, Bluetooth to stream music wirelessly from your smartphone, tablet, or laptop, USB Audio Playback and HDMI ARC: Simplify your setup with HDMI ARC thus allowing easy control of your soundbar

## Wired subwoofer

The Philips TAB4518 features a powerful wired subwoofer that delivers deep, punchy bass to enhance your audio experience. With a stable wired connection, it ensures consistent and reliable performance, providing rich, immersive sound with impactful low frequencies

## 3 EQ modes

The Philips TAB4518 features three custom EQ modes—Music, Movies, and XRS—designed to optimize sound for different types of content. Music Mode delivers rich, clear sound with enhanced bass and treble, perfect for a vibrant and immersive music experience. Movies Mode brings out cinematic depth, boosting surround sound and dialogue clarity for a theater-like atmosphere. XRS Mode expands audio, filling the room with expansive, detailed sound, making it ideal for gaming or high-energy music. With these tailored EQ settings, you can enjoy an optimized audio experience no matter what you're watching
