 Product Picture

Ease your baby's transition to a drinking cup

My first transition cup eases your baby into their first cup. With easy to hold handles, your baby will be able to drink independently from the familiar nipple. Swap to the soft silicone spout when ready, completing the transition.

Ideal first step to a drinking cup

- Easy to grip, removable handles
- Soft silicone spout for easy transition from bottle

Other benefits

- This cup is made from BPA free material
- Compatible with Philips Avent bottles and cups

Convenient for you and your baby

- All parts are dishwasher safe for convenience

Highlights

Easy to grip, removable handles

Attach the easy-grip handles to the baby bottle to help your baby learn to drink independently

Soft silicone spout

Soft spout made of silicone is gentle on your toddlers gums and is flexible to support those first sips.

Cup is dishwasher safe

All parts are dishwasher safe for convenience

BPA Free

This Philips Avent cup is made from BPA free material.

Philips Avent compatibility

All Philips Avent bottles and cups are compatible excluding the glass bottles and the My First Big Kid Cups. So you can mix and match to create the perfect cup, suiting your toddler's individual development needs.
