- Built-in mic. Switch from playlist to call in an instant

Secure, comfortable, flexible

- 1.2 m cable length with 3.5 mm stereo plug
- IPX4 splash and sweat resistant

1000 series

In-ear sports headphones with mic

TAA1009DG/10

Highlights

Clear sound, energising bass

Perfectly tuned 12 mm neodymium drivers deliver clear sound, and bass vents enhance the bass performance. The earbuds sit comfortably in the ear, without digging into the ear canal.

Headphones that stay in

The flexible, contoured ear hooks let you adjust these lightweight headphones for a comfortable fit that's perfectly secure. You're free to move without worrying about your headphones dropping out at that crucial moment.

In-line remote

The included 3-button in-line remote makes these headphones a simple pleasure to use. Make calls, navigate your playlists and ask your voice assistant anything - all without touching your smartphone.

IPX4 splash/sweat resistant

Never mind the weather, an IPX4 rating means these earbuds are splash resistant so they don't mind a little rain! Wearing them during a quick workout or on a particularly hot day? They won't mind a little sweat either.

Specifications

Sound
