Highlights

3500K warm white light

Upgrade your headlights without compromising your look! Philips Ultinon Classic LED bulbs project an elegant warm white light, comparable to that of other halogen headlights, giving your car a timeless appearance. Color-match them with your other front lights while benefiting from the improved brightness of LEDs. Experience the perfect blend of classic style and modern technology.

Beam outperforms halogen

Philips Ultinon Classic LED bulbs are designed to deliver a superior light beam compared to halogen bulbs in a compact, universal format. Leveraging the latest innovations in LED technology, they offer the same luminous flux as standard ECE halogen bulbs while significantly enhancing beam performance** with lower energy consumption. Philips Ultinon Classic LED

bulbs provide drivers with a better view of the road, making it easier to spot obstacles and drive safely.

Plug-and-play installation

With Philips Ultinon Classic LED bulbs, installation is so quick and easy that retrofitting them is child's play! There's no need for compatibility checks or adapter rings: Philips Ultinon Classic LED bulbs come with an ultra-compact body and an integrated IEC 60061-compatible base. Their direct-fit design features the same footprint as halogen bulbs, enabling straightforward installation in tight spaces. They fit easily and ensure broad compatibility with most vehicle models*.

Automotive-standards compliant

Technologically advanced, Philips automotive lighting products have been renowned in the automotive industry for over 100 years. Aware

that the performance of our products depends on their compatibility with the demands of today's automotive environment, we design our products as closely as possible to industry standards. Our Philips Ultinon Classic LED bulbs comply with EMI standards for electromagnetic interference. Precision-engineered to withstand the rigors of modern automotive life, our bulbs won't disrupt the operation of other vehicle components.

Long-lasting performance

Philips Ultinon Classic LED bulbs are rigorously tested and checked to ensure long-term durability and long-lasting performance. Our range offers up to three times the life of a comparable halogen bulb and homogeneous light throughout the bulb's lifespan. The Philips Ultinon Classic range is covered by a Philips two-year warranty***. Enjoy the best of today's technology with Philips Ultinon Classic LED bulbs.

Specifications

Marketing specifications

Product highlight: Traditional warm white light

Expected benefits: Classic white LED, Color-matched, Easy-fit

Product description

Application: High Beam, Low Beam, Fog

Base: P14,5s

Designation: LED H1 11258 U2510 C2

Designation LED Type: [≈H1]

Lifespan: 1,500 hours

Marking ECE: no

Operating Temperature: -40°C / +85°C

Range: Ultinon Classic HL

Technology: LED

Type: H1

ECE R37 certification: no

ECE R10 certification

Polarity free

Homologation: no

Diameter: 24.50 mm

Height: 60.00 mm

Light characteristics

Lumens: 1,350 lm

Colour temperature: 6000 K

Electrical characteristics

Wattage: 13 W

Voltage: 12 V

Ordering information

Order entry: 11258U2510C2

Ordering code: 02984394

Packaging Data

Packing: Box

EAN1: 8719018029843

EAN3: 8719018029850

Packaging type: C2

Packed product information

Pack Quantity: 2 pcs

Length [cm]: 9.15 cm

Width [cm]: 4.60 cm

Height [cm]: 7.65 cm

Net weight per pack: 21 g

Gross weight: 52 g

Outer pack information

Length: 10.70 cm

Width: 19.30 cm

Height: 13.00 cm

Packing: Carton

Quantity: 4 sets / 8 pcs

Gross weight per outer pack: 0.250 Kg
