Highlights

13 mm dynamic drivers

Hear your sounds the way they were meant to be heard. These headphones use custom design, 13 mm dynamic drivers to bring you an amazing listening experience. The drivers' large power capacity enhances dynamics and bass so you'll never miss a beat.

21 hours play time with case

You get 7 hours play time from a full charge, and an extra 14 hours from the case. Pop the earbuds back in the case and they'll recharge fully in 2 hours. If you need a quick boost, just 15 minutes gives you an extra hour. The case can be charged via USB-C.

Clear call quality

Don't let sounds from the world interrupt your listening. These headphones feature an AI microphone that uses an advanced AI algorithm to filter out the noise you don't want to hear and ensure clear call quality. Hear each other clearly every time.

IPX4 splash/sweat resistant

An IPX4 rating and powerful 13 mm drivers let you enjoy great sound in any weather. The headphones are splash resistant and won't mind a little rain or sweat so you don't need to worry about getting caught in a shower.
