Highlights

DBB bass boost for extra power

This big, powerful Bluetooth party speaker is the perfect way to celebrate. Press the DBB button to switch between your different bass presets and activate a Dynamic Bass Boost to give your tunes the rumbling bass they deserve.

10 RGB light modes

Turn your home into your new favorite club with two light rings in the front of the speaker. 10 RGB light modes let you add proper atmosphere

to the party and create any mood that you like. However you like to party, this speaker has got you covered.

Karaoke mic and guitar inputs

Mic and guitar inputs let you take center stage. Sing along with your favorites or try and get the solo right! Guitar and mic have their own volume controls. You can add echo effects to your voices and even record yourselves.

Pair for stereo sound

Make sure your sounds are heard the way they were meant to be. True Wireless technology lets you connect two TAX4509 speakers together via Bluetooth for awesome stereo sound.

Bluetooth, audio-in, USB, TF

Stream playlists via Bluetooth, plug in a device via audio-in or take music directly from a USB stick or TF card. Knobs on the speaker let you select the source and fine-tune the bass and treble and the remote control lets you sit back and enjoy.

Handle for easy transport

A built-in carry handle makes it easy to get your speaker into the perfect position. Take the beats to a friend's house and set up in any room! You can also skip tracks and turn the volume up directly from the speaker or by using the remote control.

Party outside. 16 hours play time

This party speaker lets you move your celebrations outside. The built-in battery gives you up to 16 hours play time on a single charge.
