Heated straightening brush

BHH896/10

Highlights

Keratin ceramic coating

The bristles with keratin infused ceramic coating glide smoothly through your hair for naturally straight and shiny look.

Triple bristle design

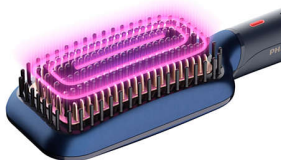

Triple bristle design gently detangles and straightens while protecting your scalp from heat.

Ready to use indicator light

LED light indicates when the brush is ready to use.

ThermoProtect technology

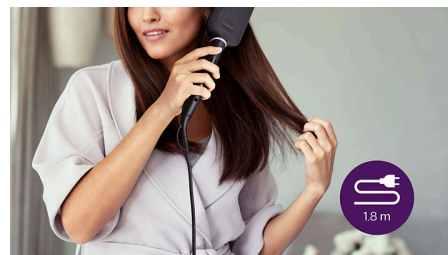

Temperature of the bristles stays at an optimized level to minimize the heat damage, while reducing friction. Leaving hair naturally straight with a silky smooth look.

Paddle-shaped brush

The paddle-shaped design to straighten more hair in one go.

1.8m cord

1.8m cord.

2 temperature settings

Two temperature settings (170°C & 200°C) to best suit your hair type.

Fast heat-up time

Ready to use in 50 seconds.

Heat resistant roll out mat included

Heat resistant roll out mat included for easy storage and carrying.
