Precise fit and easy installation

Smooth installation of HL [≈H7], H7-LED

To safely install LED headlight bulbs in your vehicle, you may require model-specific adapters. Philips adapter rings ensure that our Philips H7 LED bulbs are firmly fixed in the vehicles that need them.

Model-specific adapter rings

- Find the right adapter ring for your vehicle

Optimal fit

- Easy to install

Reliable Philips quality

- Durable material for long-lasting performance

Highlights

Model-specific adapter rings

Philips HL [H7], H7 LED* bulbs are suitable for most vehicle models, but some may require adapter rings to ensure safe installation. To find out if you need additional adapter rings to upgrade your truck's headlights to LED, check our Philips compatibility lists**.

Optimal fit

Philips LED adapter rings are easy to install and guarantee a perfect fit and secure attachment of the H7 LED bulbs to the vehicles's headlights,

where required. To find out more about our adapter rings installation, the user manual can be accessed on the Philips support page***.

Reliable Philips quality

Philips LED adapter rings are made from durable materials and can withstand the physical and thermal stresses of automotive use. They've been tested under the toughest conditions so you can enjoy the unique performance of our Philips HL [H7], H7 LED* bulbs for years.
