VisionPlus

Type of lamp: H4

12 V,60/55 W

Up to 60% more vision

Ultra resistant car lamp

12342VPC2

Feel safe, drive safe

Up to 60% more vision: fast reactions save lives

Philips VisionPlus headlight bulbs produce 60% more vision, which allows drivers to see farther for greater safety and comfort. Offering high performance and excellent value, VisionPlus is the right choice for today's demanding drivers.

Very high quality and ultra resistant car lamp

- Philips car lamps are made of high-quality quartz glass
- Philips car lamps are highly resistant against humidity
- Philips car lamps are highly UV resistant

Superior quality with enhanced visibility

- VisionPlus projects 25 m light extra than a standard lamp
- Greater driving comfort and safety
- Wide range of 12V lamps to meet all functions
- Change both your headlamps at once for more safety

Original Equipment manufacturer

- Philips is the choice of major car manufacturers
- Respecting high quality standards of the ECE homlogation
- Award winning car lamp manufacturer

12342VPC2

Highlights

Car manufactuer choice

For 100 years, Philips has been on the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting

Change by pairs

Highly recommended to change them by pairs for symetric light performance

Designed for multiple usage

Which 12V lamp for which function? Philips Automotive offering includes all car specific functions: high beam, Low beal, front fog, front indicator, side indicator, rear indicator, stop light, reversing light, rear fog light, license plate lights, rear position/parking light, interior lights.

ECE homlogation

Philips automotive products and services are considered best-in-class in the Original Equipment Manufacturer market and the aftermarket. Manufactured from high quality products and tested to the highest specifications, our products are designed to maximize the safety and comfort of our customers' driving experience. Our entire product range is thoroughly tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements. Put simply, this is quality you can trust.

High quality and visibility

VisionPlus provides you with a better reactivity thanks to an earlier recognition of obstacles and traffic signs. Brake lighting is also visible earlier, thanks to a more powerful light output. Drivers can reduce their braking distance by up to 3 meters at 100 km/h. Light is a fundamental part of the driving experience and light is the first and only part of the safety circle that actually helps prevent accidents.

High quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps (filament 2 650° C and glass 800° C) are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light

Resistance against humidity

Only a burning bulb made of quartz glass (filament 2650°c, glass 800°c) can resist thermal shocks: if a drop of cold water touches the hot bulb, which can happen when you drive through water with a broken headlight unit.

Highlights

Rewarded Car lamps

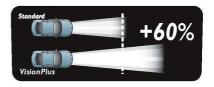

Our lamps are often rewarded by automotive experts

UV Resistant

Philips special anti-UV coating technology protects the headlights against harmful ultraviolet radiation, making Philips UV-coated quartz glass perfect for all driving conditions and ensures their longevity

Up to 60% more vision

Philips Vision Plus will allow your car to project 25 m light extra than a standard bulb. Our lighting solutions produce a powerful and precise beam of light with maximum output. We consistently produce the best, most efficient lighting solutions because we know that our high-quality lighting may one day save a life.

Greater safety and comfort

Product description

Application: High beam, Front fog light, Low

beam

Base: P43t-38

Designation: H4 12342 VP 12V 60/55W P43t-38

Homologation ECE Range: VisionPlus Technology: Halogen

Type: H4

Lifetime

Life time: Up to 400h

Light characteristics

Lumens: 1650 lm

Color temperature: Up to 3200 K

Electrical characteristics

Wattage: 60/55 W Voltage: 12 V

Ordering information

Order entry: 12342VPC2 Ordering code: 37435360

Packaging Data

Packaging type: C2 EAN1: 8727900374353 EAN3: 8727900374377

Packed product information

Length: 9,1 cm Width: 4,55 cm Height: 7,6 cm Pack Quantity: 2

MOQ (for professionals): 100

Outerpack information

Length: 28.6 cm Height: 12 cm

Gross weight per piece: 0.55 kg

Length: 55,5 cm Width: 28 cm Height: 19,3 cm
