Highlights

Precision trimmer

The precision trimmer perfectly grooms the bikini line with precision and comfort. Trims hair to a length as short as .24 inches/0.6mm.

Precision comb

When using the precision trimmer with the precision comb, you can trim the hair in your bikini area to your ideal length. With the 5 length settings you can trim to hair length of .08 to .39 inches (2-10mm)

Micro shaver

The micro shaver can be used to shave along contoured edges to remove any stubble while creating a smooth, well-defined bikini line.

Pen trimmer

Banishes facial hair or touches up the bikini line

Exfoliation glove

The exfoliation glove mildly exfoliates your skin, removing dead skin cells, leaving your skin beautifully smooth/radiant.

Travel bag

So you can take BikiniPerfect wherever you go

Wet & dry

Use in and out of the shower or bath.
