Highlights

Self-sharpening metal blades

Self-sharpening metal blades deliver added strength for maximum precision as you trim, staying as sharp as day 1 with no blade oil required. Non-corrosive blades also make it easy to clean.

40 lock-in length settings

The trimmer's Precision Dial has 40 length settings in 0.2 mm steps, helping you to craft your beard as precisely as you need.

Hair collector

Our innovative hair collector efficiently catches up to 80% of trimmed hairs*, giving you less hassle as you trim.

BeardSense Technology

With BeardSense Technology, our trimmer scans your beard density 125 x per second to boost power in denser areas, giving you the right power for the best result.

Even trim with Lift & Trim comb

The advanced Lift & Trim combs lift hairs towards the blade, capturing hair with each pass for an efficient and even trim.

Detail trimmer

The click-on detail trimmer with its narrow design adds extra definition effortlessly to the details, crafting your look with precision.

100% waterproof

Because the trimmer is 100% washable, you can just rinse it under the tap and go, simplifying your grooming experience.

Ergonomic grip

Our ergonomic grip with 360 degree Fine Line grip makes the device easy to hold and handle, providing you with the comfort and control you need to perfect your look.

Travel pouch

The travel pouch keeps your device and all of the attachments you need stored in one place, keeping your grooming routine organised at home or when you're on the go.
