- Keep unwanted nose and ear hair under control

Gentle, comfortable grooming

- Designed for more comfortable grooming
- For more control and comfort while trimming

Built to last and easy to use

- Consistently powerful performance from start to finish
- Stay aware for each trim

Highlights

7 tools for all of your grooming needs

Our trimmer comes with 7 tools so you can trim and style your facial hair, clip your hair and groom your body, conveniently covering all of your grooming needs.

Beard trimming

The trimmer's blades and beard combs create clean, straight lines for your ideal look with ease.

Easy hair clipping

Attach the hair-clipping comb and choose from the different length settings to easily maintain your hairstyle at home.

Body combs

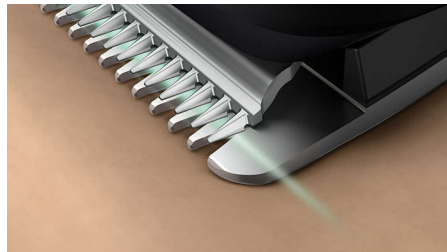

The trimmer's click-on body comb is designed for a gentle and effective trim, letting you groom your body with comfort and confidence.

Nose trimmer

The trimmer is designed to remove unwanted nose and ear hair gently and comfortably, helping you avoid nicks and cuts.

Self-sharpening blades

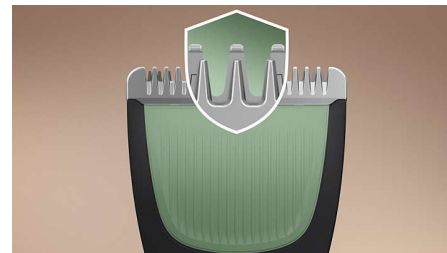

Self-sharpening steel blades deliver added strength for maximum precision as you trim, staying as sharp as day 1 with no blade oil required. Non-corrosive blades also make it easy to clean.

Adjustable comb (3-7 mm)

Select from the 3 to 7 mm length settings to craft your desired look to the length you want.

Blade with rounded tips

Our unique blade technology with rounded tips is designed to be gentle on the skin, delivering a comfortable trimming experience.

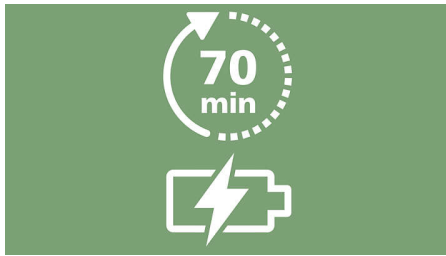

Ergonomic grip

Our ergonomic grip makes the device easy to hold and manoeuvre, providing you with the comfort and control you need to perfect your look.

Highlights

70 min of runtime

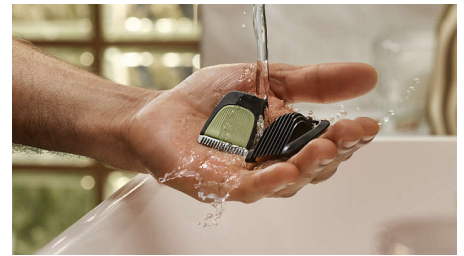

Our durable battery delivers up to 70 minutes of runtime for a powerful, continual trimming experience.

Charging and low battery LED

The light indicator keeps you fully informed of your battery status, whether it's low, empty or charging, ensuring that you're always ready for your next grooming session.

Easy-to-maintain attachments

Remove the head of your trimmer and rinse it under the tap for a quick, easy clean. Then, make sure that you dry it before putting it back on the handle.
