## Highlights

### DuraPower

A device you can always rely on for a great look. DuraPower technology protects the motor and battery from overworking, effectively extending the clipper's lifespan.

### 28 lock-in length settings

Perfect for any haircut length, the Philips clipper includes 2 adjustable combs and an additional 2 mm beard comb. Achieve precise cuts from 3 mm to 28 mm in 1 mm increments. Use the 2 mm stubble comb for a short haircut or to style your beard, or remove the comb for an ultra-close 0.5 mm trim.

### Self-sharpening stainless steel blades

The self-sharpening steel blades are designed to be incredibly long-lasting. Even after 5 years they cut with the same precision and accuracy as day 1.

### Corded and cordless use

The hair clipper's powerful battery provides up to 75 minutes of cordless power after 8 hours of charging, giving you maximum power and freedom.

### 100% washable

Keep your clipper clean effortlessly by rinsing it under the tap for quick and easy maintenance.

### Comfortable grip

Philips clippers feature a textured grip for easy handling, ensuring that you can cut your hair with control and comfort.

### Zero maintenance

Experience clipping power that's easy to maintain—Philips' blades never need oiling.

### Hair clipper is built to last with no oil required

All of our Hair clipping products\* are built to last. They come with a standard global 2 year warranty, including the option to extend up to 5 years,\*\* and they never need to be oiled.
