- Fast and easy search that prioritizes free content
- Automatic software updates and easy-to-use remote

## Entertainment Series

6000 series 4K Ultra HD LED Roku TV

75PUL6645/F7

# Highlights

### 4K UHD with HDR10 and HLG

Experience extraordinary picture quality with UHD resolution, combined with HDR for sharp contrast and unbelievably vivid colors.

### Works with Apple AirPlay

Effortlessly stream videos, photos, music, and more from your Apple device to your TV with AirPlay or from any device running the Roku App.

### America's #1 TV streaming platform

With Roku as your entertainment guide, exploring popular apps—plus free movies, shows, and live TV—is as easy as it is fun.

### Fast and easy search

Search by title, actor, or director to see where to stream your favorite shows for free or at the lowest price.

### 120 Perfect Motion Rate

Unprecedented motion sharpness for sports, movies, or any fast-paced scenery with incredible clarity.

### Connectivity Options

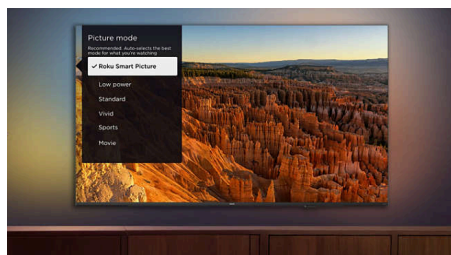

Easily connect your TV to your wireless network or watch content from a USB drive, and connect your favorite devices via HDMI.

### Automatic software updates

Automatic software updates and easy-to-use remote

### Picture that smartly adjusts

Roku Smart Picture automatically chooses the right picture mode - movie, sports, vivid or standard - so everything looks its best.

### User friendly home screen

Jump right in with a home screen that gets you to what you want to watch fast. Plus, personalized recommendations for finding your next favorite.

### Sleek European Design

With an elegant open square stand and European design, enhance the look of any room with this sleek TV.

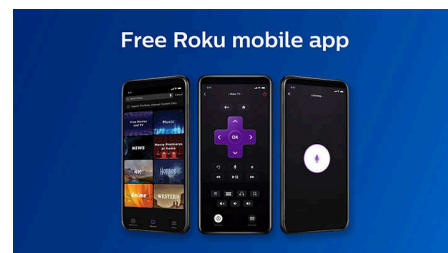

### Free live TV

Enjoy 500+ channels with live news and weather, sports coverage, and more – totally free. Plus, search results ranked by price.

### Fits any smart home

Enjoy easy voice control with Siri, Alexa, or Google Assistant. Compatible with Homekit.

### Free Roku mobile app

Use the Roku mobile app as an extra remote. Enjoy private listening, search with your voice or keyboard, and save shows for later.
