Great sound. Easy to use.

Want a soundbar to elevate your TV sound and viewing experience? Look no further than this one, where you can expect quality audio and enhanced stereo at home, at a wallet-friendly price.

Enhanced sound so you don't miss a beat

- Bluetooth 5.4 for improved audio stability
- Seamless syncing and connections with HDMI-ARC
- Stereo sound with no distortions. 2.0 channels, 60W max

Quality you can trust

- Built with EU expertise for reliable quality

Music and movies

- Roku TV Ready™. Simple setup. One remote. Quick settings.

Highlights

Clear stereo sound

For a soundbar that produces clear sound through 2.0 channels, consider this one for its quality and value-for-money performance. Volume up without distortion, so you can amp up the drama without missing the dialogue.

Improved audio stability

Sound made even better with audio streamed through your favorite mobile devices. Easy connectivity with Bluetooth 5.4 enables better sound synchronization, for smooth audio streaming with reduced lag.

Easy, seamless connections

Expand the possibilities of sound with this soundbar. With versatile HDMI-ARC connectivity, sync up to other devices seamlessly without the clutter of multiple cables.

Quality you can trust

Experience high quality TV sound on a compact soundbar, at a price that fits most budgets. Offering the reliability of European products, this soundbar adds a satisfying audio experience and expansion of your TV's sound.

Roku TV Ready™

This Philips Soundbar is Roku TV Ready certified. That means you'll enjoy a simple setup, one remote, and quick settings when you pair it with a Roku TV. Roku, the Roku logo, Roku TV, Roku TV Ready, and the Roku TV Ready logo are trademarks and/or registered trademarks of Roku, Inc. This product is Roku TV Ready-supported in the United States, Canada, Mexico, the United Kingdom, and Brazil. Countries are subject to change.
