Highlights

Includes 2 karaoke microphones
This Bluetooth speaker lets you sing to your tunes. Two wireless karaoke mics let you join in, dropping the vocals so you can accompany your music and even add fun effects like echo. Sing along with friends and make your music even more exciting!

Includes 6 vocal effects
Join in and change the sound of your vocals. The two wireless karaoke mics let you add 6 fun effects to your voice at the touch of a button. Choose between diva voice, female voice, male voice, child voice, monster voice and even professional mode!

4 visual display modes
This great speaker features four multi-colored light modes so you can add some fun shapes and colors to your music. Choose between an assortment of display settings to see the speaker's screen light up with squares in different patterns and colors.

Up to 15 hours play time
This reliable little speaker won't let you down when you need it. Fully charge with the included USB-C cable for up to 15 hours of continuous play time (light off).

Bluetooth, USB, AUX or TF card
Stream playlists from your mobile device via Bluetooth or play them directly via USB, AUX or from your TF card. Your favorite tunes sound rich and clear through this fun little speaker. Connect any way you like.

Carry strap
This great little speaker features a comfortable carry strap made of soft, flexible rubber making it easy to pick up and bring with you. Transport your karaoke skills to any room in the house.
