Highlights

Prevents nicks & cuts

Patented rounded trimmer tips gently cruise through all hair types to prevent nicks & cuts. 80% of our consumers confirm no razor burns and redness*.

Fast results with 3 blade system

Whether you're planning a full-body treatment or in a need of a touch-up, our shavers deliver fast & easy results. 3 blades system moves in both directions for a quick treatment. With integrated dual sided trimmers, it also pre-trim longer hair for faster shaving.

Suitable for sensitive areas

The Philips Body Shaver is designed to be gentle and comfortable on different body areas.

Use anywhere, anytime

With cordless use, we've made it easy to use on any body areas – legs, underarms, belly, toes, whatever works for you. With Wet & Dry function, you can use it even in the shower to be ready for anything, anytime.
