Convenient shave

- Powerful Li-ion battery
- Travel case to store and protect your shaver
- A convenient dry or refreshing wet shave
- Travel with peace of mind

Compact design

- Compact design

Sustainable

- Built to last

Philips Shaver 500 Series

Wet & Dry Electric Compact Shaver

S595/05

Highlights

Lift & Cut system

Our unique Lift & Cut rotary shaving system lifts the hair gently out of its root without cutting skin for a close shave.

SteelPrecision blades

Our 360° rotating SteelPrecision blades catch hair growing in different directions. With 3,000,000 cutting motions per minute, they ensure a fast shave any time, anywhere.

3D Floating Heads

Designed to minimise skin irritation, the 3D Floating Heads float in three directions for ideal skin contact, ensuring a comfortable shave.

Compact Design

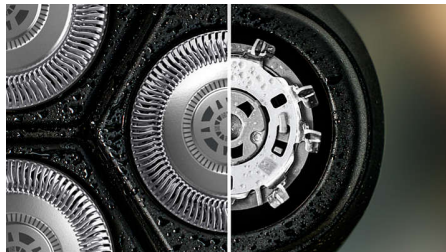

The shaver's compact size combined with a sleek and trendy look ensures that you stand out in style wherever you go.

Magnetic motor

A strong and powerful magnetic motor allows you to shave even thick beards, for a smooth and close shave even on the go.

Anti-corrosion European steel

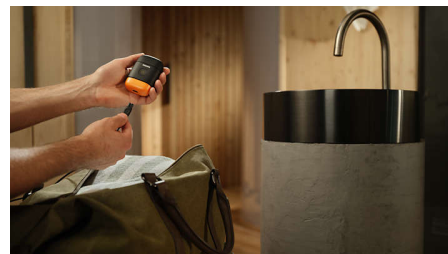

Our shaver's blades are made from European hypoallergenic steel that resists corrosion, is skin friendly and protects the blades from impurities.

Wet & Dry

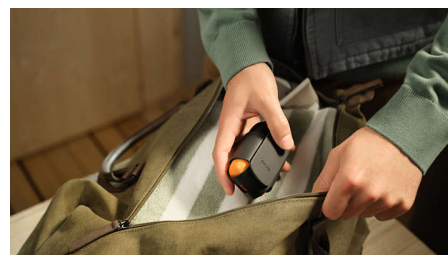

Whether you prefer a comfortable dry shave or a refreshing wet shave with gel or foam, our shaver adapts to your needs. With IPX7 water resistance, it allows for effortless cleaning under running water.

Powerful battery

Experience the convenience of a powerful Li-ion battery with up to 40 min shaving runtime on a single 1 hour charge. Need a fast shave? Just plug in for 5 minutes and get enough power for a full shave.

Travel case

Ensure that your shaver stays safe wherever you go. Designed with a fashionable edge, this travel case is more than just a protective item.

Philips Shaver 500 Series

Wet & Dry Electric Compact Shaver

S595/05

Highlights

Magnetic Cap & Travel lock

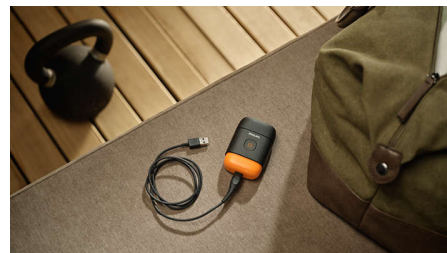

The magnetic cap keeps the shaving head clean, while the travel lock prevents the shaver from switching on by accident, allowing you to enjoy a worry-free journey.

Long-lasting shaver

Our Philips shavers are crafted with precision and durability in mind, ensuring long-lasting performance. Our shavers undergo rigorous testing to ensure consistent and durable performance. Enjoy a shaver that stands the test of time.

USB-A charging

At Philips, we drive sustainability in all aspects of product creation. Our ambition is to reduce waste and minimise the number of USB adapters we put in the market. Should you need an adapter, a suitable supply unit is available via: www.philips.com/support
