HS740 Blade Refill

Replacement electric shaving heads

Highlights

From #1 shave brand

The Philips Norelco Head Shaver Pro is designed for a close shave that's also comfortable on the skin. This is the perfect tool for those who want to look sharp, feel confident, and express themselves fully.

ComfortCut Blades

Get a clean, comfortable shave with this Philips Norelco shaver. This electric shaver's 36 ComfortCut blades cut each hair right above skin level to give you a smooth and even finish.

Anti-corrosion shaving system

Philips Norelco Head Shaver Pro blades are made from surgical-grade Swedish steel that resists corrosion and is skin friendly.

Fits all Head Pro Shavers

HS740 replacement heads are compatible with Head Shaver Pro series 5000 (HS5980), series 7000 (HS7980), series 9000 (HS9980).

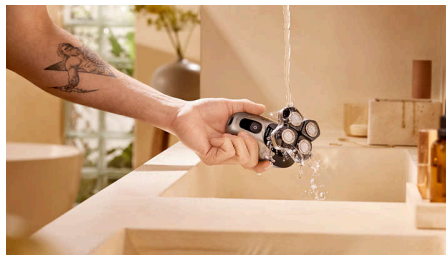

Reset your shaver to new

To get back to 100% performance, replace your head shaving heads every 6 months.

HS740/40

Showerproof

Choose a shaving routine that suits you. With Wet & Dry you can opt for a comfortable dry shave or a refreshing wet shave. You can shave with gel or foam, even in the shower.

Easy replacement

1. Remove the shaving unit from the product.
2. Turn the lock counterclockwise and remove the retaining frame. Place it aside in a safe place.
3. Place new shaving heads in the shaving unit.
4. Put the retaining frame back into the shaving unit and turn the lock clockwise.
5. Put the shaving unit back onto the product.
