## Highlights

### From #1 shave brand

The Philips Norelco Head Shaver Pro 5000 Series is designed for a close shave that's also comfortable on the skin. This is the perfect tool for those who want to look sharp, feel confident, and express themselves fully.

### 360° Flexing Head

Fully flexible unit turns 360° to follow head contours for optimal skin contact even in difficult areas, avoiding excessive pressure peaks that may cause discomfort & irritation.

### ComfortCut Blades

Get a clean, comfortable shave with this Philips Norelco shaver. This electric shaver's 36 ComfortCut blades cut each hair right above skin level to give you a smooth and even finish.

### Ergonomic Design

Confidently handle your shaver with the ergonomic design that helps you keep a secure grip as you shave.

### PowerAdapt Sensor

Dynamic Power Adapt Sensor reads hair density 125 times per second. Dynamically adapts shaving power for effortless shaving.

### Hair Collect System

Keeps your shave clean without leaving cut hairs around the sink.

### Showerproof

Choose a shaving routine that suits you. With Wet & Dry you can opt for a comfortable dry shave or a refreshing wet shave. You can shave with gel or foam, even in the shower.

### 60-Minute Runtime

Use your shaver at home or on-the-go for up to 60 minutes on a 1 hour charge - that's around 15 shaves. The shaver only operates when not charging.

### 5-minute Quick Charge

In a hurry? Plug in your shaver for 5 minutes and get enough power for 1 full shave.

# Highlights

### Travel Lock

Prevent accidental activation while traveling. The travel lock feature ensures your shaver stays off when packed in your bag.

### 2+3 Years Warranty

Our shavers are designed with optimum performance in mind. They come with a 5-year guarantee\*\*, so you can enjoy ultimate reliability and performance, shave after shave.
