Highlights

20-in-1 trimmer

Our trimmer comes with 20 tools so you can trim and style your facial hair, clip your hair and groom your body, conveniently encompassing all your grooming needs.

Premium precision comb

Our premium precision comb, with 11 length settings in 0.2 mm steps from 1 to 3 mm, delivers maximum precision to trim to the exact length you want for your perfect look.

Unique OneBlade technology

The trimmer's fast moving cutter (6000 x per minute) powers through even the longest hair, with glide coating and rounded tips to protect your skin, so you can comfortably style and shave your beard. Clean up cheeks, chin and neck to shape your beard precisely.

Self-sharpening steel blades

Self-sharpening steel blades deliver added strength for maximum precision as you trim, staying as sharp as day 1 with no blade oil required.

BeardSense technology

With BeardSense Technology, our trimmer scans your beard density 125 x per second to boost power in denser areas, giving you the right power for the best result.

Precision beard styling

The trimmer's multi-comb set comes with 27 length settings from 0.2 mm up to 20 mm in precise increments of up to 0.2 mm, so you can style your beard long or short. The detail trimmer's narrow design also gives added precision to create sharp lines and fine details, while the metal trimmer cleans your cheeks, chin and neck to get your beard exactly how you like it.

Comfortable body grooming

Experience a close and comfortable trim below the neck with our innovative new body blade. This specially designed trimmer features rounded tips that ensure a gentle touch, making it perfect for the most sensitive areas of your body.

Fast hair clipping

Thanks to the extra-wide 41 mm stainless steel clipper which is designed to cut more with each stroke, you can now trim your hair 30% faster.*** Versatile and easy to use, you can perfect your look using the adjustable length settings with the 9 mm and 12 mm wide combs.

Eyebrow trimming

Easily keep your eyebrows neat and tidy with the dedicated eyebrow comb.

Highlights

Up to 120 minutes runtime

Our durable lithium battery delivers up to 120 minutes of runtime with 5 minute quick charge option**, for a powerful, continual trimming experience. OneBlade runs up to 30 minutes, so you have sufficient time to style and shave you beard.

100% showerproof

Being 100% showerproof, you can use the grooming set both wet and dry for a comfortable, convenient experience, every time. Plus it's easy to clean too.

Battery life indicator

A battery indicator lets you know your battery status: low, empty, charging or full. So you never get caught with an empty battery in the middle of your trim.

Premium ergonomic design

The premium stainless steel trimmer and OneBlade are easy to hold and manoeuvre with an ergonomic rubber grip for superior comfort and control.
