# Highlights

### Full body grooming

Now you can confidently groom everywhere on your body with one tool. This Philips full-body groomer for men cuts hair at 3 different lengths for clean, even results on your back, shoulders, chest, abs, underarm, arms, groin and legs.

### Back attachment

Conveniently remove back hair. This attachment has been specially designed for convenient back grooming.

### Skin-friendly shaver

The shaver head features patented rounded tips and a hypo-allergenic foil to protect your skin while shaving. The bi-directional trimmers cut longer hairs, which are shaved by the foil for a closer result.

### Bi-directional body comb

1 comb included for a natural 3mm trim. Attach the comb onto the shaving system, to trim hair to a fixed length of 3mm. You can use the shaving system without the comb, for a closer result. For thicker hair, pre-trimming with the comb is recommended.

### Wet and dry

Your wet-and-dry body groomer is fully waterproof, so you can use it in or outside of the shower and clean your groomer easily. For best results, use on dry hair before showering.

### Ergonomic grip

Your body groomer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.

### 2 Year guarantee

All of our grooming products are built to last. They come with a 2 year worldwide guarantee, worldwide voltage compatibility, and they never need to be oiled.
