- AI voice control. Google Assistant

4K QD Mini-LED TV. Awesome in any light.

- Color and contrast with HDR10 and HLG
- Whatever the source, always perfection. Philips P5 engine.
- Quantum Dot technology for incredible color and contrast

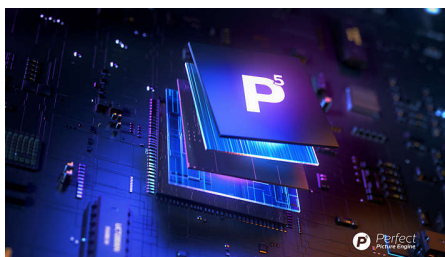

Highlights

Quantum Dot MiniLED

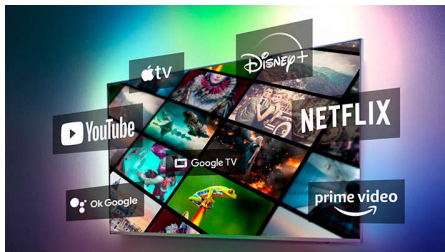

Bolder colors. Crisper whites. Deeper blacks. Quantum Dot MiniLED technology allows a bright, detailed picture with pin-sharp contrast—and you'll see more colors than ever before!

P5 Perfect Picture Engine

The Philips P5 engine delivers a picture as brilliant as the content you love. Details have noticeably more depth. Colors are vivid, while skin tones look natural. Contrast is so crisp you'll feel every detail. Motion is perfectly smooth.

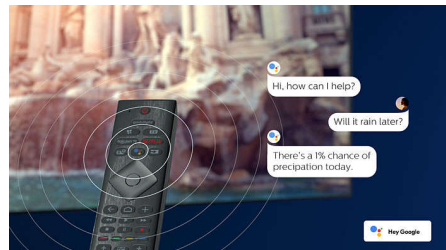

Google TV™

What do you want to watch? Google TV brings together movies, shows, and more, from across your apps and subscriptions—and organises them

just for you. You'll get suggestions based on what you like, and you can even use the Google TV app on your phone to curate your watchlist on the go.

AI voice control. Google Assistant

You get a choice of voice assistants! Push the Google Assistant button on your remote and you can use your voice to find movies and shows, get recommendations, control compatible smart home devices.

Epic gaming

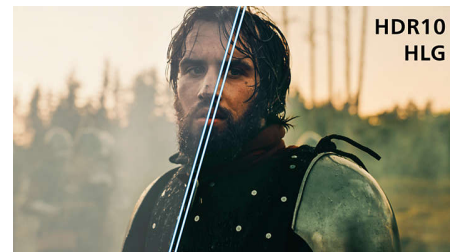

Play without limits and immerse in QD MiniLEDs incredible realism! HDMI 2.1, a blazing-fast 144 Hz native refresh rate, and ultra-low input lag bring fluid, responsive gameplay, super-smooth natural motion, and great-looking graphics. The QD MiniLEDs gaming mode brings even bigger thrills and if you're gaming on a PC, you can enjoy 144Hz VRR via HDMI.

Dolby Vision & Dolby Atmos

With Dolby Vision and Dolby Atmos on board, your films, shows, and games look and sound incredible. See the picture the director wanted you to see—no more disappointing scenes that are too dark to make out! Hear every word clearly. Experience sound effects like they're really happening around you.

HDR10/HLG

Brighter colors. Vivid tones. From the darkest scenes to the brightest light, clarity is everything. This is where high dynamic range impresses with clearer color and contrast.
