LUMX30LINEX1

Quality light to get the job done

Cordless, slim professional LED lamp

The Philips Xperion 3000 Line LED hand light is ideal for quick inspection jobs and longer repairs. Its 120°-wide light beam eliminates shadows, while a 360° rotating hook and strong magnet enables hands-free working.

Dual-mode, natural white LED light

- Light up your whole work area
- Choose 150lm in Eco mode or an intense 300lm in Boost.
- Work comfortably and fatigue-free

Sturdy lamp for daily use

- Designed to withstand tough workshop conditions

Handy and easy to operate

- Work right through the day

Versatile, hands-free use

- Work better with hands-free lighting

Highlights

Bright, comfortable work light

The Philips Xperion 3000 Line provides a wide 120 beam, perfect for lighting up the whole area in front of you.

Bright, dual-mode light

The main beam on the Philips Xperion 3000 Line has two light outputs. The Eco mode provides you with a bright 150-lumen output for everyday use and extended battery life. On Boost mode, you get an intense 300 lumens but shorter battery life. This flexibility allows you to choose the right light for the job at hand.

6000 K natural white LED light

The Philips Xperion 3000 Line produces a 6000 K natural white light that improves visual comfort and reduces eye strain for fatigue-free working.

Built to last

When you're busy working, it's easy to drop and damage your equipment. That's why it's important the tools you use are built to last. The

Philips Xperion 3000 Line is water and dust resistant (IP54 rating). It's also IK07-rated to withstand impacts and drops from a height of up to 1.5 metres.

Up to 8 hours of battery life

The Philips Xperion 3000 Line cordless LED lamp is designed to be ready for action. Powered by a high-energy Li-ion battery, our lamp is fully recharged within five hours, ensuring maximum usage of the LED light. Work up to eight hours in Eco mode or four hours in Boost. The one-turn opening cap makes it even easier to recharge your Philips Xperion 3000 Line.

Easy-to-use inspection lamp

Hands-free lighting helps you work more productively. Our Philips Xperion 3000 Line comes with a powerful magnet on the bottom and a 360 rotatable hook, leaving both your hands free to get the job done.

Specifications

Marketing specifications

Expected benefits: Cordless, slim professional LED lamp

Product description

Hook: 360° rotatable
Impact protection rating (IK): IK07
Ingress protection rating (IP): IP54
Magnet: 1 magnet
Materials and finishing: Robust ABS
Operating temperature: 0°C to 40°C
Range: Xperion 3000
Resistant to: grease, oil, workshop solvents
Technology: LED
UV leak detector: No

Light characteristics

Colour temperature: 6000 K
Light output: 300 lumens lm
LED lifetime: up to 10,000 hour(s)
Beam angle: 120° degree
Light output (eco): 150 lumens

Electrical characteristics

Wattage: 3.3 W
Voltage: 3.7 V
Battery capacity: 2200 mAh
Battery run time (boost): Up to 4 hours
Battery run time (eco): Up to 7.5 hours
Battery type: Li-ion battery
Plug type: Plug not included
Charging cable type: USB-C cable
Battery charging time: Up to 3 hours
Power Source: Li-ion battery

Ordering information

Order entry: X30LINEX1
Ordering code: 02494731

Packaging Data

EAN1: 8719018024947
EAN3: 8719018024954

Packed product information

Length: 10,8 cm
Width: 4,5 cm
Height: 30,5 cm
Pack Quantity / MOQ: 6
Weight with batteries: 250 g
Cable length: 100 cm USB-C cable

Outer pack information

Length: 32 cm
Width: 15 cm
Height: 23 cm
Gross weight per piece: 2,24 g
