Clock Radio

Mirror finish

FM digital tuning

USB phone charger

TAR4406

Wake fully charged

Get up ready to rock. This FM clock radio will charge your mobile device while you sleep and wake you with a gently rising alarm tone or radio station. There's also a Sleep Timer, so you can fall asleep listening to the radio too.

Compact form. Easy function.

- Mirror-finish display with large clock digits
- USB port. Charge your phone
- FM digital tuning with 20 presets
- Dual alarm function. Set two alarms
- Wake to an alarm tone or the radio

Sleep well. Wake gently

- Sleep Timer. Drift off listening to your favourite station
- Gentle Wake. Alarm tone or radio volume rises gently
- Repeat alarm for extra snooze time
- Battery backup in event of power failure

Beautifully simple

- Easy-to-read display with adjustable brightness
- Buttons on top for tuning, volume, alarm and more
- Dimensions: 110 x 110 x 75 mm

Highlights

Mirror-finish display

Tell the time at a glance with this FM alarm-clock radio. The large digits mean the mirror-finished display is easy to see, and you can adjust the brightness to suit your room. Simple controls take care of setting the alarm, volume and tuning.

USB phone charger

A handy USB port lets you use the clock radio's power supply to charge your phone while you sleep. This alarm clock also has a battery backup. If there's a power failure, you won't have to reset the clock and your alarm will go off on time.

Dual alarms

The dual alarm function lets you set two alarms, both of which can be set to use either an alarm tone or the radio. Perfect if you're likely to snooze through the first alarm. Or if your partner needs to wake before you.

Sleep Timer

Drift into restful sleep with your favourite radio station playing in the background. You can set the Sleep Timer to play your selected station for up to two hours. After your preset time has elapsed, the radio turns off automatically.

Gentle Wake

Ease into your day thanks to the Gentle Wake function. Whichever alarm style you have chosen—alarm tone or radio—the volume starts low and gradually increases. No more waking with a shock!

Specifications

Sound

Output power (RMS): 700 mW
Sound System: Mono

Loudspeakers

Full-range driver diameter: 1.5"
Number of full-range drivers: 1
