Highlights

8 outlets

Converts one outlet into eight outlets, allowing you to plug in multiple devices from a single AC outlet.

2 m power cord

Provides power to the unit, which can be 2 m from the AC outlet.

900 joules of surge protect

Protect your valuable electronic equipment from random voltage spikes that might be caused by lightning, motors or power generators etc.

Double pole switch

Switches both the live and neutral to ensure safe isolation of the load circuit.

Power Blocker

Automatically shuts down power to the connected devices.

Safety shutter

Ensure children do not place their fingers or small objects into sockets.

Protection indicators

LED lights let you know if your surge protector is functioning properly.

€100.000 Limited warranty

To protect your connected equipment within the product warranty period. Limited warranty amounts to €100.000.
