Highlights

32W sound output

Feel the power of pure sound with the TAS2400 Bluetooth Speaker. Delivering an impressive 32W sound output, it fills any space with rich, clear audio. Whether you're relaxing at home or hosting a gathering, this speaker brings your music to life with dynamic performance and deep, immersive sound that elevates every moment.

Stereo sound

Elevate your listening experience with the TAS2400 Bluetooth Speaker. Featuring true stereo sound, audio flows from both sides of the speaker for a rich, balanced, and immersive experience. Whether you're at home or on the go, enjoy crisp highs, deep bass, and a wider soundstage that surrounds you with your favorite music.

IPX4 splash and sweat resistance

Take your music anywhere with the TAS2400 Bluetooth Speaker. Built with IPX4-rated splash and sweat resistance, it's ready for poolside

parties, beach days, or intense workouts. No need to worry about accidental splashes or sweat—this speaker keeps the music going, rain or shine. Rugged, reliable, and made to move with your active lifestyle.

Built in mic

Stay connected on the go with the TAS2400 Bluetooth Speaker. Featuring a built-in microphone, it lets you take hands-free calls with ease—perfect for multitasking, conference calls, or quick chats with friends. Enjoy clear voice pickup without reaching for your phone. Whether relaxing or working, you're always in touch with crisp, convenient communication.

Multiple connectivity options

The TAS2400 Bluetooth Speaker offers versatile connectivity for seamless listening. Plug in your tunes via TF card or USB slot and enjoy your music your way. With Type-C charging support, power-up is fast and efficient. Stay connected and powered up wherever you go—your music, your rules, your convenience.
