Simple controls

- Touch controls. Easy pairing

Lightweight and comfortable

- Open-ear fit. Light, comfy, secure

2000 series

Open-ear wireless headphones

TAQ2040BK/70

Highlights

Lightweight and comfortable

These open-ear headphones are so light you'll barely feel them, plus they won't fall off when you get moving.

Directional Acoustic design

With specialized chamber and algorithm, Directional Acoustic technology beams music into your ear canal, minimizing leakage and vibration and retaining detail and bass. All the benefits of an open-ear design with improved sound quality and comfort.

Balanced sound everywhere

Whether you're outside with the volume up or inside with the volume down, you'll always hear clear, balanced sound.

Simple control

Touch controls keep it simple and tones let you know you've activated a function.

Clear call quality

Don't let sounds from the world interrupt your listening. These headphones feature an AI microphone to filter out the noise you don't want to hear and ensure clear call quality. Hear each other clearly every time.

Specifications

Sound

Frequency range: 20 - 20,000 Hz
