Highlights

40 hours playtime

With up to 40 hours of total playtime, you get uninterrupted sound from morning workouts to late-night playlists. Crystal-clear audio, powerful bass, and all-day comfort meet long-lasting performance. Charge less, play more – your perfect wireless companion is here.

13mm drivers

Experience rich, detailed sound like never before with powerful 13mm dynamic drivers. Designed for deeper bass, crisp highs, and balanced mids, these drivers deliver an immersive audio experience in every beat. Whether you're listening to music, watching movies, or taking calls, enjoy superior clarity and depth—all packed into a compact, wireless design.

Fast charging

With fast charging, just 10 minutes of charge gives you up to 100 minutes of playtime. Perfect for when you're in a rush, this feature keeps your music going with minimal downtime. Stay powered throughout your day with quick boosts that deliver big performance—because your time matters.

Touch controls

Take control with a simple tap. Our intuitive touch controls let you play, pause, skip tracks, adjust volume, and answer calls—no need to reach for your phone. Designed for ease and convenience, the responsive touch interface ensures smooth, effortless control right at your fingertips. Stay connected and in command, wherever you go.

IPX5 splash and sweat resistance

With an IPX5 water-resistant rating, the TAT1269 earbuds are built to handle splashes, sweat, and light rain—perfect for workouts, runs, and daily commutes. Stay focused on your music or calls without missing a beat, even when the weather or your routine gets intense. Durable design that keeps up with your active lifestyle.
