Highlights

40W sound output

Unleash the power of 40W dynamic sound with our Bluetooth speaker, designed to deliver deep bass, crystal-clear highs, and room-filling audio. Whether you're indoors or outdoors, enjoy a rich, immersive listening experience that brings your music to life. Perfect for parties, workouts, or just chilling—turn up the volume and feel every beat like never before!

10 hours playtime

Keep the music going from sunrise to sunset with 10 hours of uninterrupted playtime. Whether you're hosting a party, hitting the outdoors, or just chilling at home, this Bluetooth speaker ensures your favorite tracks keep playing without missing a beat. Long-lasting battery life means fewer charges and more music, wherever you go

RGB light modes

Turn up the volume and light up the room! With dynamic RGB light modes, this Bluetooth speaker doesn't just sound great—it looks amazing too.

Sync the lights with your music and create the perfect vibe for any mood or moment. Whether it's a chill evening or a full-blown party, your sound now comes with a colorful twist!

Built in Mic

Take calls hands-free with the built-in mic—perfect for quick chats, work calls, or group conversations. Stay connected without reaching for your phone. Clear voice pickup ensures every word is heard, whether you're chilling or on the move.

IPX5 splash and sweat resistance

No splash, no sweat—just nonstop music. With IPX5 splash and sweat resistance, this Bluetooth speaker is built to handle poolside parties, beach days, and intense workouts. Rain or shine, your tunes keep playing without a hitch. Rugged and reliable, it's the perfect companion for every adventure, indoors or out
