Highlights

Delicious water at a fraction of the cost of bottled water

Great-tasting water at a fraction of the cost and waste of bottled water.

Get the best out of your water

Enjoy crisp and pure tasting water, as well as flavourful hot and cold drinks. Philips Micro X-Clean filter reduces chlorine, limescale, heavy metals and emerging contaminants such as microplastics and PFOA.*

Digital timer reminds you when to replace the filter

Digital timer reminds you when to replace the filter for the best result.

Flip top lid for single-handed refill

Flip top lid for single-handed refill.

Dust-proof spout keeps water fresh and clean

By preventing dust from getting in through the water outlet, the dust-proof spout keeps the water fresh and clean.

Prolongs the lifetime of kitchen appliances

Prolongs the lifetime of kitchen appliances by preventing limescale build-up.
