3000 series

Wireless keyboard-mouse combo

SPT6307B/00

Highlights

Keystrokes for durability

Keys last millions of keystrokes for durability

2.4G wireless connection

Keep the computer wires at bay. For any keyboard/mouse equipped with this feature, you can connect the accessory to any PC via a speedy 2.4GHz wireless connection. The simple setup process, along with the accessory's sleek design, is sure to leave your workspace looking clean and wire-free.

multi-media shortcuts

With these multi-media shortcuts, you can easily switch to music, volume, or video play by a simple click.

Intelligent power saving

With the intelligent power saving function, this combo can go into standby and therefore save power when not in use.

Up to 1,600 DPI

This mouse delivers precision tracking up to 1,600 DPI with higher smoothing and accuracy.

Low-profile keys

The low-profile keys add a stylish look and are quick and responsive for typing.
