- Suitable for head shaving
- Waterproof for easy cleaning or shower use
- 50 minutes of cordless shaving from a 1-hour charge
- Sleek lines and youth aesthetic
- One-touch open for easy cleaning
- Battery status at a glance
- Protective cap keeps the shaving head clean
- USB-A for convenient charging

Comfortable shave

- 6D Flex Heads ensure optimal contact with your skin

Clean shave

- PowerCut Blades for a consistent, clean shave

Gentle on Skin

Shaver 3000 Series

Wet & Dry Electric Shaver

53882/00

Highlights

6D Flex Heads

The special design enables each head to flex independently for optimal contact with your skin, ensuring a comfortable and fast shaving experience.

PowerCut Blades

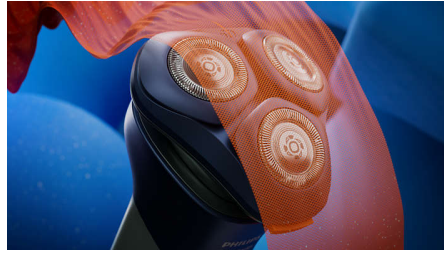

27 self-sharpening blades with 3.5 million cutting motions/minute consistently cut each hair up to 0.046 mm for a smooth, even finish every time.

SkinGlide coating

The Micro-bead SkinGlide coating reduces friction on your skin, for a smooth and comfortable shave.

Sensitive mode

Easily switch from Regular to Sensitive mode for a smooth, gentle shave.

Anti-Corrosion European steel

The self-sharpening blades are made from surgical-grade steel to resist corrosion and they stay like new for 2 years.

Wet and dry shaving

Choose a convenient dry shave, or pair with your favorite foam or gel for a refreshing wet shave, even in the shower.

50 minutes of cordless shaving

In just 50 minutes, the durable NiMH battery is fully charged 60 minutes of shaving. In a hurry? A 5-minute quick charge gives you enough power for one shave.

Iconic design

With its sleek lines and a youthful aesthetic, the design of the shaver seamlessly blends into any contemporary lifestyle.

One-touch open

The shaver head flips open at the touch of a button to rinse it under running water.

Shaver 3000 Series

Wet & Dry Electric Shaver

S3882/00

Highlights

Waterproof (IPX7)

Rinse under running water or shave in the shower. The IPX7 waterproofness rating means it can be submerged in one meter of water for up to 30 minutes.

3-level battery indicator

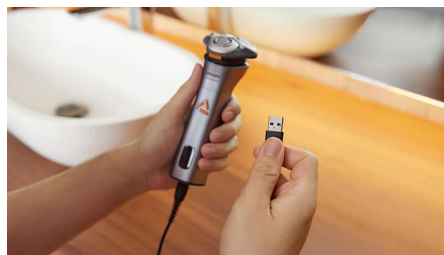

Don't get caught with an empty battery. The battery indicator lets you know if the battery is low, empty, or charging.

Protective cap

Keep the shaving head clean and safe between shaves or when traveling.

USB-A Charging

At Philips, we drive sustainability in all aspects of product creation. Our ambition is to reduce waste and minimize the number of USB adaptors

we put in the market. Should you need an adapter, a suitable supply unit is available via: www.philips.com/support

Suitable for head shaving

The shaver is designed to be a versatile solution that allows you to confidently shave both your face and head
