Highlights

Triple Protect shave system

The Triple Protect shave system has pearl tips for enhanced skin comfort, diamond-shaped holes for effortless skin doming while the guard significantly minimises skin irritation.

Close results on skin

Shaving to 0.2 mm, our cutting technology gives you the close and precise grooming experience you need. Featuring our diamond-shaped shaver foil that works seamlessly to ensure a smooth, even finish, leaving your skin feeling soft and refreshed.

100% showerproof

Being 100% showerproof, you can use the body groomer both wet and dry for a comfortable, convenient experience, every time. Plus it's easy to clean too.
