- Laser engraved keys look great and last longer

Designed for performance

- Convenient multi-media shortcuts

Highlights

Plug-and-play

Simple plug-and-play wired USB connections

Keystrokes for durability

Keys last millions of keystrokes for durability

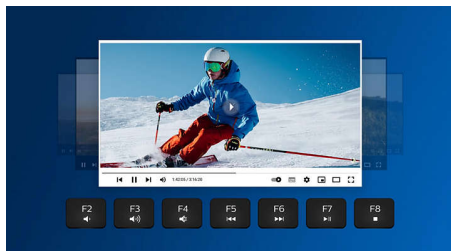

Stylish design

The design is adjusted to be the most suitable for ergonomics after rounds of user surveys, and also takes into account stylish, slim appearance, and space saving.

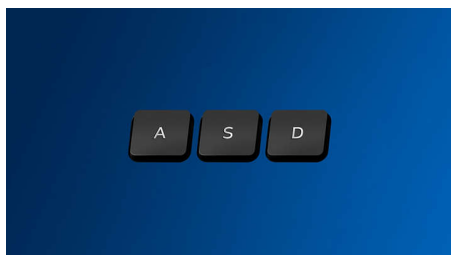

multi-media shortcuts

With these multi-media shortcuts, you can easily switch to music, volume, or video play by a simple click.

Laser engraved keys

Laser-engraved keys look great, are easy to read and last longer. A premium choice.

Water resistant keys

Life can be messy. With this water resistant keyboard, the occasional spill or spray off is no problem. These keyboards are built to last.
