Head Shaver Pro 5000 Series

Essential shaver with ComfortCut Blades

H55980/28

Highlights

From #1 shave brand

The Philips Head Shaver Pro 5000 Series is designed for a close shave that's also comfortable on the skin. This is the perfect tool for those who want to look sharp, feel confident, and express themselves fully.

360° Flexing Head

Fully flexible unit turns 360° to follow head contours for optimal skin contact even in difficult areas, avoiding excessive pressure peaks that may cause discomfort & irritation.

ComfortCut Blades

Get a clean, comfortable shave with this Philips shaver. This electric shaver's 36 ComfortCut blades cut each hair right above skin level to give you a smooth and even finish.

Ergonomic Design

Confidently handle your shaver with the ergonomic design that helps you keep a secure grip as you shave.

PowerAdapt Sensor

Dynamic Power Adapt Sensor reads hair density 125 times per second. Dynamically adapts shaving power for effortless shaving.

Hair Collect System

Keeps your shave clean without leaving cut hairs around the sink.

Showerproof

Choose a shaving routine that suits you. With Wet & Dry you can opt for a comfortable dry shave or a refreshing wet shave. You can shave with gel or foam, even in the shower.

60-Minute Runtime

Use your shaver at home or on-the-go for up to 60 minutes on a 1 hour charge - that's around 15 shaves. The shaver only operates when not charging.

5-minute Quick Charge

In a hurry? Plug in your shaver for 5 minutes and get enough power for 1 full shave.
