Highlights

Quiet Click Sound, Comfortable Experience

It has the same click feel without the click noise, helping to keep you focused on your work.

Up to 1600 DPI

This mouse delivers precision tracking up to 1600 DPI with higher smoothing and accuracy.

Keys Last Millions of Keystrokes for Durability

Keys Last Millions of Keystrokes for Durability

2.4 G Wireless Connection For a Cordless Workspace

Keep the computer wires at bay. For any keyboard/mouse equipped with this feature, you can connect the accessory to any PC via a speedy

2.4 Hz wireless connection. The simple setup process, along with the accessory's sleek design, will leave your workspace looking clean and wire-free.

Intelligent Power Saving

With the intelligent power-saving function, this combo can go into standby and therefore save power when not in use.

Convenient Multi-Media Shortcuts

Thanks to these multi-media shortcuts, you can easily switch to music, volume or video play with a simple click.
