

PHILIPS

HQ87 USB wall adapter

Shaver S9000 Prestige

2 pin with 7.5 Watt Adapter is
suitable for UK specific

CP2188

USB-A adapter to charge your personal care product

For products provided with a USB charging cable

HQ87 USB charger for use with a USB charging cable. This adapter (IPx4) is suitable for home use, including in a damp environment (e.g. a bathroom). IPx4 means that the adapter is "splash-proof", but the adapter should be kept dry.
