Highlights

Compact and structured

The structured set provides room for your additional baby care products, whilst being compact and convenient to take with you. Ideal for travel and nursery.

Nasal aspirator

The nasal aspirator helps to open your baby's airways to help your baby feel and sleep better.

Finger toothbrush

Softly massage your baby's gums or teeth.

Nail and hair care set

Complete nail care set with rounded-tip scissors, nail clipper and three emery boards. And a hair care set with rounded-tip comb and soft hair brush.

Gift

A perfect gift for all (first-time) parents.
