

PHILIPS

Breast pump valve

Philips Avent

Breast pumps

White

CP9287/01

Transfers breast milk from pump to bottle

Check for compatibility below

This valve maintains the vacuum that your breast pump needs for breast milk to pass from pump to bottle. For a properly functioning pump, keep the valve in top condition.

Ease of using Philips spare parts

- Easily renew your product with original Philips parts

Highlights

Easy replacement of product parts

From time to time your product needs a facelift, and with Philips consumer replacement parts to renew your product, it's never been so easy! All this with guaranteed Philips quality.
